An amazing opportunity to have a charming new construction single-family in between Vail and Beaver Creek resorts. Surrounded by stunning vistas and wonderful hiking trails, the outdoors is your neighbor. Beautiful location with the cliffs of Minturn out one direction and Martin Creek Trailhead out the other , it’s hard to beat this location. Belden Place provides 17 options to upgrade and personalize this great residence, but the Standard Finish level is impressive in its own right. Offering A/C, great finish level and a charming deck with a huge view, this is a fantastic opportunity to call the small-town charm of Minturn your home base in the mountains. The heated garage offers a 2-car tandem garage plus 2 exterior parking spaces! This is a Resident Occupied status residence which does not allow any rentals less than 9-months at a time. Expected delivery Fall of 2025.
