Perfectly situated in the heart of Vail Village, this residence offers over 4,300 square feet of living space with sprawling southern views of Vail Mountain. The expansive 5-bedroom floor plan offers a large open concept main level, abundant natural light, high vaulted ceilings, multiple living areas, and floor-to-ceiling windows with sweeping ski slope and Village views. A versatile office with an adjacent full bath offers the option of a fifth bedroom, while another ensuite bedroom completes the main level. Upstairs, a lofted lounge overlooks the great room, creating a cozy retreat for reading or movie nights. The upper level features three additional bedrooms, including a secluded primary suite with vaulted ceilings, a private balcony, and a serene bath featuring dual vanities and soaking tub. Enjoy the use of pool and hot tubs at the neighboring Sebastian property, fitness facility, and two deeded parking spaces. This residence epitomizes privacy and convenience, combined with luxury mountain living just moments from skiing and all the dining, shopping and entertainment Vail Village has to offer.
