This rare 3-bedroom townhome is an end unit of only four townhomes and is a light-filled home with vaulted ceilings. The deck off the dining area is where you can soak in pleasant views of the Sawatch Mountain Range. A second deck off the primary bedroom is perfect for your morning coffee. The gas stone fireplace provides both warmth and ambiance during cozy winter evenings. Recent improvements include refinished hardwood floors, kitchen glass backsplash, new dishwasher and refrigerator, new carpet throughout, and fresh paint. The largest yard in the complex is perfect for a patio and gardens. It has a coveted 2-car garage with storage for your mountain gear, plus one additional common parking space. This lovely home is ideally located close to the O'Neal Spur Pocket Park, a dog park, hiking, and biking trails. A 10-minute drive to restaurants, shops, and ski runs. In winter, the Avon bus will take you to the Avon Station, where you can take the shuttle to Vail and Beaver Creek. Take in amazing sunsets and starry nights, and start building lasting memories in this mountain home.
