This newly built mountain retreat combines timeless stonework with sleek modern interiors. With 5 bedrooms and over 4,600 square feet, it provides a generous living space in a refined setting. A spacious four-car garage offers abundant storage and parking. An elevator connects all three levels, leading up to a top-floor primary suite. The main living area showcases beautiful mountain views, and a private outdoor space with a hot tub creates the perfect place to relax after a day in the mountains. *Interior of the home has been Virtually Staged
