This stunning end-unit home sits right on the edge of the hillside, overlooking Beaver Creek Mountain. With three sides of unobstructed views, more windows than you'd expect, and two levels of balconies to take it all in, this is truly a rare find. Inside, the airy, open-concept main floor is bright and spacious – perfect for entertaining or just soaking in the natural surroundings. The private top-floor primary suite offers large windows, a luxurious double shower, and a walk-in closet. On the ground level, two additional bedrooms walk out onto a generous balcony that frames the breathtaking view. This thoughtfully finished 3 bedroom, 3 bath home, offers a large well-appointed kitchen, beautiful hard wood floors, plenty of open living space and an attached oversized 1 car garage with ample storage and a work bench. If you're looking for a "wow" view with the comfort and quality of a well-designed home, this is a must-see.
