FOREST 366 ROAD, VAIL, CO, 81657

<https://resortdevelopmentmarketing.com>

The only brand-new, completely finished, ski-in home on the open market in Vail Village. This exceptional collaboration brings together the finest talents in Vail architecture, design, construction, and real estate. The home’s innovative design reflects the architectural vision of Kyle Webb and KH Webb Architects, paired with the meticulous craftsmanship of RA Nelson, a highly experienced builder. The interiors are thoughtfully curated by Yvonne Jacobs of Jacobs + Interiors, one of the area’s most esteemed designers, each contributing over 20 years of expertise in Vail’s luxury market and an acute understanding of the expectations of today’s discerning buyers. This Nordic Ski Haus, situated on a prime Forest Road lot, celebrates Vail’s iconic ski mountain and the charm of Vail Village while offering unparalleled ski-in access. The design harmoniously blends timeless alpine elements with contemporary elegance, creating a chic yet comfortable ambiance that evokes feelings of wellness, comfort, and security—ideally suited to the era’s renewed focus on home and lifestyle. Its interiors feature balanced finishes and organic textures, complementing the beauty of the surrounding landscape, with warm mountain sunlight illuminating the main living space and a stunning outdoor area that provides a view of the ski village below and the stunning Red Sandstone Mountain. Meticulously crafted as a custom home, it boasts luxury amenities including ski-in access, heated driveway with guest parking, electric car charging rough-in, oxygenation system in primary and rough-in for other bedrooms, heated patios and heated stairs for easy access from skiing. Additional highlights include a bunkroom, family room, ski room, and elevator, all thoughtfully designed to accommodate every detail, finish, and view—showcasing the very best of Vail living. No shared walls with B. Party wall agreement for shared heated stairs from ski-in access
