BEARDEN 378 ROAD, EDWARDS, CO, 81632

<https://resortdevelopmentmarketing.com>

Welcome to 378 Bearden Road in Cordillera, where every detail is designed to offer an elevated living experience in the Colorado mountains. Tucked into the quiet Bearden Meadows neighborhood, this 4,944-square-foot home sits on a 2.01-acre lot that feels worlds away yet keeps you close to all that the Vail Valley offers. Mornings begin in the main floor master suite, where his-and-hers bathrooms and a spacious walk-in closet create a sense of retreat, and a private office nearby makes working from home comfortable and convenient. The heart of the house is an open kitchen, great room, and formal dining room, where family and friends naturally gather. Just beyond, a covered deck extends dining into three seasons, while a heated stone patio with a built-in hot tub invites warmth and comfort throughout the year. Upstairs, two guest suites welcome visitors with privacy and comfort, and the lower level adds another suite, a large family room for movie nights, and ample storage for all the gear mountain living requires. Outside, nature provides the soundtrack as elk travel across the lot and through the neighborhood, their bugling echoing in the crisp air and reminding you of the wild beauty just beyond your door. Offered furnished with exceptions, 378 Bearden Road is more than a home—it's a lifestyle. Here, luxury and wilderness meet, giving you a true sanctuary in the heart of Cordillera.
