<https://resortdevelopmentmarketing.com>

Enjoy the sights and sounds of Red Sandstone Creek with this spacious, top-floor end unit. An excellent creekside location in the Sandstone neighborhood of Vail featuring ski slope views from the east facing deck. Very private with no road or highway impact, mature landscaping and spectacular fall colors. Sandstone Park is ideally situated – close to the free Town of Vail bus stop, a short walk to Lionshead and with easy access to the North Trail for hiking and biking. The unit has a private entrance to a lock-off room – great for passive income potential and includes two assigned parking spaces plus additional guest parking. Other features include two decks with mountain and ski slope views, two master bedrooms with large closets; one on each floor. The new carpet and fresh paint really make this unit shine and the wood burning fireplace creates just the right ambiance. The HOA has recently replaced the metal roof and stairs. No upcoming special assessments at this property. With the flexibility to rent the lockoff separately, this four bedroom can appeal to a wide range of buyers and would be a great fit for a local, investor, second homeowner or employee housing.
